### Tarbiyah Curriculum Outline

This Tarbiyah curriculum is designed to cultivate love, reverence, and understanding of the Prophets (AS). Through structured, age-appropriate storytelling and reflection, students will gain insight into the character, struggles, and missions of the Prophets, starting with Adam (AS) and continuing through the lives of major prophets mentioned in the Qur'an. The curriculum aims to build a strong foundation in tawheed, moral character, sabr (patience), and reliance upon Allah. It encourages students to internalize the values of sincerity, humility, justice, compassion, and submission to divine guidance—virtues exemplified by the Prophets. Each lesson is connected to clear Qur'anic verses, fostering not only spiritual development but also Qur'anic literacy. As students progress, they will learn not only facts about the Prophets but will reflect on the relevance of their stories to their own lives and responsibilities as Muslims today.
